**Free resources on our Members' Only web page:** Answers to frequently asked questions, inspiring research on student learning, Excel files of sortable state test data, NCLB school rankings, writing program guide, sample monthly council agendas, and more

**Steep discounts on council training, PD workshops, principal selection training, and products**—including revamped test score graphing and gap analysis reports, and money-saving Do-It-Yourself PD workshops

**Answers to your council questions at [kasc@kasc.net](mailto:kasc@kasc.net):** Email all the specific information we need to address your question. Then we can provide a written answer that you can share with others on your council or in your school. Email us and we'll respond as quickly as possible, but no later than within 24 hours (throughout the work week).

**INSIGHTS, our journal for parents, teachers, and principals**—focusing on timely topics in education: RTI, research-based improvement planning, formative assessment. Now with a pull-out tool to use immediately.

**Voice in Frankfort:** When decisions are being made that affect councils, we'll send you weekly legislative updates and lobby on your behalf.

**One-Year School Membership \$400**  
**For other types of membership, email [kasc@kasc.net](mailto:kasc@kasc.net)**
