General Butler State Resort Park, Carrollton, KY

ABOUT THE SUMMIT

GET AWAY and **GET CONNECTED** to other parents and advocates passionate about taking action to improve public education for Kentucky students!

Join us in the scenic rolling hills of Carrollton, Kentucky, for a one-day leadership retreat hosted by the Prichard Committee designed to inform and inspire parents to be effective education advocates and leaders. This is a unique opportunity to connect with other Kentucky parents and community leaders across the state to share ideas and get energized for action!

This year's Summit will include an exciting announcement about how the Prichard Committee is expanding family engagement efforts across the state. We'll also recognize individuals who are serving as education champions in their community and share new resources for citizen advocates to engage their friends and neighbors in conversations about local education progress.
